

LEAD

Leadership Education and Development Program

LEAD is a professionally facilitated program for immigrant women to:

- ❖ Improve their listening skills and spoken English
- ❖ Gain self-confidence and make new friends
- ❖ Learn more about Canadian society, its diversity and culture
- ❖ Be encouraged to take a more active role in the community

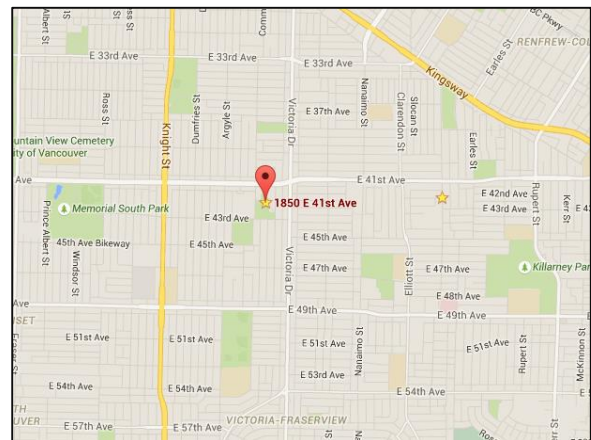

Group discussions focus on settlement, cultural adjustment and personal development.

Free childcare is available for children 18 months to 5 years old, while their mothers attend class. In the early childhood education (ECE) program, children learn through play, songs and stories as they prepare for Canadian life and get ready for school entry.

Leadership Education and Development Program or LEAD, is a daytime group support program for women who are immigrants/refugees in Canada. Those who have ESL Intermediate level, are encouraged to participate.
