The Emergency Child Care First Aid course is recommended for child care workers and anyone living with children. This course also includes certification in Automated External Defibrillation (AED) use.

Instructor: Karen Clark

Karen, as the owner and operator of The Vital Link, has been teaching Red Cross First Aid and CPR courses for over 20 years. She has taught locally, provincially, nationally and internationally. Karen's background and certification in Early Childhood Care and Education has made her very sought after in this field.

She has been a member of a variety of boards and advisory committees, and her input has been a valuable part of Red Cross First Aid program development. Karen was instrumental in the rewriting of the Child Safe manual, the development of First Aid for the Handicapped, and the refinement of the Leadership program as a Master Instructor Trainer. She was a Master Instructor Trainer for the Red Cross for many years and certified many of the instructors actively teaching first aid today.
